

The Recreation Department announces \$54,000 in Mini-grants for the 2015 program year.

Detroit, MI 6 Through the Michigan Council for Arts and Cultural Affairs (MCACA) Mini-grant Program the Detroit Recreation Department will award \$54,000 to twenty-one (21) arts and cultural organizations for arts programming and professional development.

The Detroit Recreation Department serves as one of ten (10B) regional re-granting agencies for the MCACA.

The Recreation Department received forty-eight program and professional development grant applications requesting a total of \$154,500. After much deliberation, the Mini-grant Panel came to a consensus on the distribution of funding for art programming and professional development. The following organizations will receive awards:
